Your last year's contributions were most timely and helped with setting up of 20 libraries/reading clubs; 15 health clubs; training of 250 teachers; extending life skills to 500 students and 50 teachers and above all improving 20 schools.

17 scholarships were extended to post secondary girl students, fulfilling our vision of education as a “comprehensive learning process”.

Your generosity helped *Shakila, Sadaf, Qurat ul Ain, Asim, Farooq* and many more to extend the frontiers of their lives through quality education.

- ITA remained active in reducing as well as ending child labor through education and skills in six districts.
- ITA constructed 15 semi permanent schools in AJK.

These achievements happened because Pakistani Citizens value Social Responsibility.
